A sample week

Every charter is built around weather and the group. This is a classic loop. Your captain changes it.

- | | |
|----------------|---|
| NIGHT 1 | Tortola. Afternoon board, briefing, short hop, first dinner on board. |
| NIGHT 2 | Norman Island and The Indians. Snorkel, caves, quiet anchorage. |
| NIGHT 3 | Peter Island or Dead Chest. Beaches, swim, flybridge afternoon. |
| NIGHT 4 | Virgin Gorda — The Baths early, then Savannah Bay or North Sound. |
| NIGHT 5 | Anegada or Jost Van Dyke. Long sail, sand, or White Bay. |
| NIGHT 6 | Cooper, Salt, or Ginger. Slow day, last long snorkel. |
| NIGHT 7 | Central islands. Final sunset. Morning of day eight: breakfast and disembark. |

Shorter and longer charters are available. Ask for the night count you want.
